SILK LOGISTICS GROUP

Safety Statement (safety performance & safety innovation)

At Silk Logistics Group the safety and health of our employees, contractors, customers and visitors is of paramount importance. Our goal is to create a safe environment to eliminate any injury and risk at the workplace. Each one of us within Silk Logistics Group is expected to observe Occupational Health and Safety requirements.

Silk Logistics Group is committed to improving safety and we regularly measure and report on our safety performance. This involves looking at both the level of performance and why the performance is as it is. Our aim is to understand the basis of performance and ensure that resources are effectively utilised to achieve progress.

With a big focus on safety innovation, Silk Logistics Group has and will continue to implement process improvement, risk management and training initiatives that result in creating a safer work environment.
